WATER IS
THE SOURCE
OF LIFE, IT IS
PURE AND
FRESH

Avant-garde design. The perfect structural design of the appearance of the attractive shower experience. flower sprinkles explanation shower space "day has day outside" boundary, it is right "water" the salute of this one precious element. Each drop of water seems to be carefully carved, full of vitality, or soft as yarn, or full as a grain. Good at room, pure in body, quiet in mind. Gorgeous!.

Draw inspiration from natural glacier, use agile straight line and inclined plane, reflect contracted creed to acme. Turn on the switch, and the flowing water flows like a glacier, flowing like silk through your fingertips

Water is the source of life, it is pure and fresh, free flowing, for life essential. The water system provides you with a customized and convenient drinking experience, which can instantly turn tap water into a source of enjoyment for a healthy home life.

Elegant solution. From the outside, all you see is the controller and the outlet. All technical components are installed in the wall. This gives your shower environment a very modern, clean look. This more accurate method of installation is especially suitable for new buildings and large renovations. In addition, choose vibox accessories from Lurain, to make the installation process easier and more comfortable.

TOUCHING THE SOUL

In the dream world, I was the fairy in the myth world, continue to float the dream for people, I am happy, because their indulgence, but also others, make happiness.

Water as the source of spiritual strength. Choose the balance model spray program, can achieve the balance of body and mind, comfortable and comfortable effect. The water spouts on and off the body, as if it were the gentle touch of a hand. Under the embrace and protection of the water, the bathers enjoy the warmth and comfort in the embrace of the water completely, and at the same time, there is no sense of bondage, and the state of mind is also from wavering into a strong and stable.

Water as a cleanser of the mind. Use the spray program that relaxes the scene, can make bath person mood is calm, loosen, whole human body mechanism gradually hasten stable, as if manipulated human body "close button" general. The water temperature gradually and slowly rises, so that the tension and fatigue muscles get relaxed, thus bringing a relaxed and happy mood. As the temperature of the water rose for a degree, the turbulent thoughts gradually calmed down into a clear and calm river. The mind and body become pure and bright again.

Classics are eternal. The outstanding quality on appearance temperament, the perfect harmony of color collocation, elegant and graceful will turn around time.

We combines modern aesthetics with practical functions.Simple but do not break downy, blossom charming design and practical function everywhere, build relaxed atmosphere.The soft, warm yet powerful our accessories can add a touch of sensuality to your healthy oasis, whether it's with a wash basin or a bathtub, installed on a stage or flush.

Lurain the everyday home apart.Simple but do not lose warmth, practical but do not lose interest – this brand new bathroom hardware series realized the perfect unity of function and design, suitable for any bathroom.

The combination of the two elements creates a strong visual impact for Lurain: the lightness of the natural shape and the charm of the modern design.This kind of perfect confluence, suit the style that any household decorates.These include interiors that feature straight lines and geometric shapes.

"LURAIN"
IS THE
DESIGN OF
TOUCHING
THE HEART
WHICH
LEADING
YOU TO
ENJOY LIKE
TOUCHING
THE SOUL.

"Simple and complex".In contemporary modern city, people are fond of contracted appearance, anacreontic function, let individual inspiration follow the ground of sexual indulgence inside limited space to show.Only to create a unique, unconventional charm emotional appeal.

CONCEPT

Get rid of the flashy, woven with natural elements, will be elegant and elegant dignified block in the story of life, moving people. There is no dazzling color, revealing is a calm and deliberate. From the natural texture of fashion, as if falling into a curtain of dreams. Romantic and rational intertexture, inclusive, refined and outstanding, pay attention to the principle of taste, reveal the dignity of infinite style.

WARM AND FORTUNATE

We combines modern aesthetics with practical functions.Simple but do not break downy, blossom charming design and practical function everywhere, build relaxed atmosphere.The soft, warm yet powerful our accessories can add a touch of sensuality to your healthy oasis, whether it's with a wash basin or a bathtub, installed on a stage or flush.

Lurain the everyday home apart.Simple but do not lose warmth, practical but do not lose interest -- this brand new bathroom

hardware series realized the perfect unity of function and design, suitable for any bathroom.

The combination of the two elements creates a strong visual impact for Lurain: the lightness of the natural shape and the charm of the modern design.This kind of perfect confluence, suit the style that any household decorates.These include interiors that feature straight lines and geometric shapes.

“Enjoy water” What is the meaning of?

When we talk about the Future of water, we are describing the current and Future experience of water, as well as the release form of water, constantly changing and improving this experience. Fortunately, nature has given us examples of running water, from cascading waterfalls to falling rain, as sources of inspiration. We believe we have found a unique way for future generations to enjoy the planet's most precious resource.

Our technology allows you to enjoy a water bath in a way you never imagined possible. Langrui products bring interaction; It offers a variety of choices, and you can feel different choices leading to different feelings. For example, shower technology is applied at us all flower is aspersed, can make every flower is aspersed gush hole undertakes perfect balance to spray with same amount of water, offer all sorts of different spray means. Our customers are able to explore the unrivalled world of water in the future by choosing different products and experiences. Future of water !

ENJOY WATER

In the past five years, how did the bathroom evolve and what impact did it have on the development of new products?

The standard that the family decorates follow is to be in actually ceaseless change in, make the residence becomes the space that style of a all sorts of ideological trend mixes increasingly. Bathrooms are no longer pure, clean and functional Spaces - they have become the center of "improving physical and mental health". People are enjoying private time in the bathroom and want us to offer products that enhance that experience.

Improve people's quality of life, design products that meet their expectations, and promote the harmonious coexistence of people and water. No matter how home outfit stylist unconstrained conception toilet USES water means, our product can realize for it. This is our responsibility! Our products must be easy to operate, reliable, durable, and they must provide a unique experience for the customer.

Decorating the bathroom means an investment. How do you ensure that the design of the new product will still apply ten years from now?

We also work closely with the automotive, IT, clothing, watch and other fashion sectors to identify long-term trends. This ensures that our design is not only appropriate for today, but also for the future. What's more, we pay attention to the understanding of people's behavior pattern and desire, and the continuous exploration makes our design have a long life.

Our products are designed to withstand years of use under different pressures and harsh environments. Luang rui USES the best ceramic chip in the industry to ensure that no maintenance is required over the life of the product, while making the surface of the product shiny, stain-resistant, dust-resistant and resistant to scratches and discoloration, ensuring that the product is still shiny after years of use.

What can the future Lurain bring us?

The quality and products of goodness and beauty, that's what Lurain has impressed us with. On such a mundane basis we will continue to create world-class designs, trends mean the environment will be more unpredictable in the future, and technology and entertainment may also have an impact on the concept of bathroom design. Lurain will explore and create profound and iconic new forms that will open up new worlds of water bathing experiences.

Our way of life is changing ceaselessly, the bathroom is in domestic life important with each passing day, the technology that this asks us is one step ahead absolutely forever. For example: as bathroom and bedroom integral whole become tide day by day, prevent noise mute technology, such forward-looking technology, it changes the sound of hua hua running water into gentle, the flowing water like hypnosis whispers will become extremely important. For example, Lurain n-box USES airbags to reduce noise and protect the spool, increasing the service life of the spool.

How does Lurain meet customers' requirements in terms of environmental protection, economy and Lurain?

The most effective way is to reduce the negative impact of our design on the environment. Second, design products that customers trust and are happy to use, which enables them to keep the products longer and use them more efficiently.

Lurain is a responsible company that listens to and copies customers and CARES about the environment. Our products are made of high quality materials, combining water saving with ecology. Good design ensures long-lasting function and pleasure. Enrich the relationship between man and water and promote the harmonious coexistence of man and water.
